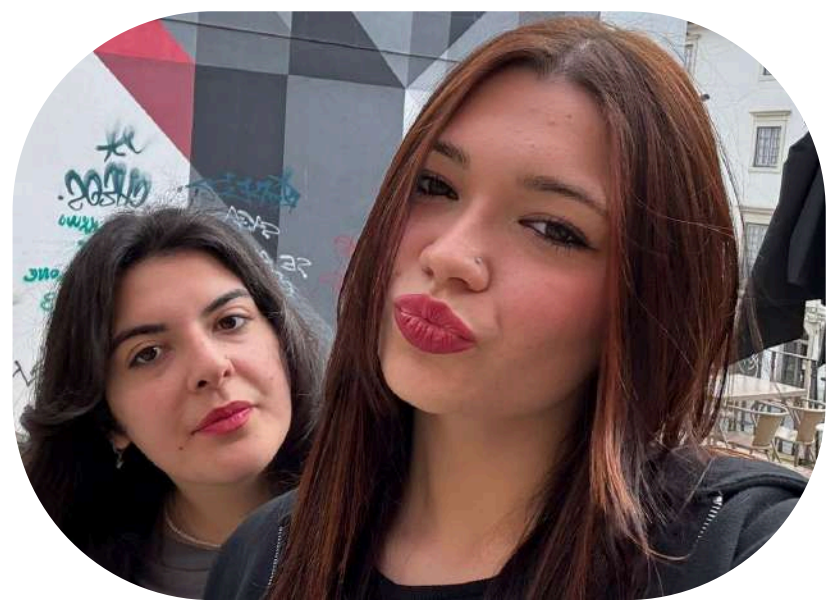
Our Experience in Coimbra

My Erasmus experience in Coimbra with the Mondego Association was truly enriching. Working there for a month allowed me to grow both personally. At the same time, I discovered a vibrant culture and I was able to' Connect with people Who inspired me. It was a valuable opportunity to step out of my comfort zone and gain new perspectives.
Thank you.
Basilio

My Erasmus experience was unforgettable: I had a lot of fun, met people from all over the world, discovered new cultures, and improved my language skills. It was a unique opportunity for personal growth and enjoyment.
Simona.

Erasmus was a very nice experience. I meet new people and I lived in a different country. I had a lot of fun. It was wonderful to discover new cultures and habits. I will carry these memories with me forever.
Alessia



This Erasmus experience was truly unique, I had the opportunity to meet new people and to engagé with the world of work,which contributed both to my personal and professional growth.

Vanessa

My Erasmus experience in Coimbra was amazing. The city is beautiful and full of students, which made it easy to meet new people. I met great friends from different countries and learned about other cultures. I enjoyed the local food, music, and traditions. Living in Coimbra helped me grow as a person and become more independent. It was a perfect mix of work, fun, and new things to discover every day. I will always remember this experience as one of the best in my life.

Francesco

Spending a month in Coimbra was an incredibile experience, that gave me the opportunity to grow in both personally and professionally. Being away from my family and friends allowed me to become more independent.During this experience I had the chance to connect with other cultures and interact with the world of work for the first time improving my professional skills

It was a month of growth, discovery, and unforgettable memories.

Maria

This Erasmus experience allowed me to grow both professionally and socially. During this journey, I had the opportunity to improve my skills in the working environment and also to get to know a new culture and meet new people

Karim

My Erasmus experience in Coimbra was unique, filled with international encounters, personal growth, and cultural discovery. I lived in a welcoming and lively city, immersed in Portuguese traditions and in student life. I explored the beautiful city of Coimbra, which I truly loved, I would really enjoy returning to to work here.

Domenico

I really enjoyed this experience. I made new acquaintances, liked the work environment, and learned many things. I also really liked the city of Coimbra. I had the opportunity to visit two football stadiums as well.

Alessio

My Erasmus experience in Coimbra remains truly unforgettable. From the very first day, I was immersed in a vibrant and welcoming environment that made me feel at home. I had the opportunity to meet people from all over the world, which enriched my cultural understanding and broadened my horizons.

I truly enjoyed exploring the beautiful city of Coimbra, with its historical streets, stunning university, and lively atmosphere. Every moment spent there was an adventure, and I found myself growing more and more independent and confident every day.

This experience also contributed significantly to my personal development. It challenged me to adapt to new situations, communicate in different languages, and embrace new perspectives. Overall, my Erasmus in Coimbra was a fun, enriching, and transformative journey that helped me to grow both socially and personally. I will cherish these memories forever.
